

# Cruisin' Grand Escondido, CA

One of the country's largest weekly cruise events. You need to experience this at least once. There's always an amazing variety of vehicles.

**Friday Night, May 23<sup>rd</sup>  
Featured Car: Pantera**

**We will be prominently positioned at the center of the event. We'll have the entire block dedicated to Panteras. It's an outstanding location!**

## *San Diego Panteras*

We are putting the word out early to ensure maximum participation. Mark your calendars and plan to be here. We've had close to 30 cars in past years, let's try to assemble a record number of cars this year. Begin arriving after 4:00 PM. Dinner, drinks and hospitality coach will be provided by SDP.
