

SUMMER TECH SESSION - SATURDAY, AUGUST 8th, 9:00 AM-?

It's time for a little mid-summer tune up for your Pantera. Come on out and give your car a thorough review with the help of all your fellow club members. This is the best way to get a hand, or lend a hand. There's always plenty to do and we're sure to have a good time. The club will be springing for sandwiches at lunch time.

San Diego Panteras

Location: Ron Ketcham's garage at his home in San Marcos
309 Solo Roble, San Marcos, CA 92078-5081
